\*\*\*\*\*

**2222** RLP Applications were submitted.

**\$111,100** Earned.

Rotary **DID NOT** meet its 7500 requirement.

\*\*\*\*\*

**ABSOLUTE DEADLINE** to Submit 7500 RLP applications was **December 31,2002**

**So far, Rotary License Plates WILL NOT be made In California.**

[www.ca-rotarylicenseplates.org](http://www.ca-rotarylicenseplates.org)

### WHAT CAN WE DO NOW???????

ALL of the California Rotary clubs must decide if Rotary should lose this HUGE income opportunity, this incredible, ongoing exposure to help us bring in new members and the BEST Public Relations tool that could make Rotary visible to everyone in our communities.

An alternate plan will be emailed to you soon.

**Keep submitting your RLP applications. We still need them!**
